Welcome to Penton Park.

Our home, your exclusive venue.

*“Penton Park is an amazing venue. The setting is beautiful, the staff amazingly kind and attentive - we had the best day ever.”*

Welcome to Penton Park. This Georgian country house is a beautiful boutique wedding venue and a warm and welcoming place in which to start your married life together. It's also our home, housing three generations of our family. We've worked hard to restore the house and grounds back to the sophisticated elegance of their heyday, but don't worry – this is a house that still knows how to party!

We open Penton Park for just 20 weddings a year, and we only ever host one wedding per weekend. You're guaranteed exclusive service, a relaxed and friendly atmosphere, and touches of luxury from the moment you step through our doors.

Find out more about your wedding at Penton Park with this brochure, and contact us to book a venue visit. We're always ready to welcome our couples with a glass of bubbly or a cup of tea. So please do come over for a look around, and chat about how we can help you create your perfect wedding day.

We look forward to meeting you.

## Journey of your day

Let us tell you about the Penton Park Wedding Experience.

*“Penton was the perfect venue for us and we knew from the moment we walked in and felt so at home, that it would be.”*

## Setting Up

We always welcome our couples to spend the Friday morning here at Penton Park, to set up their decorations, dress tables and make sure the house is exactly how you would like it for your big day. We don't believe in rushing the set up and love to see our couples enjoying this time with friends and family. We will be on hand to help you, and cover all elements like the bar and drinks.

During the Friday morning we will always make sure we have a final meeting to run through all of the details with Michelle, our event manager so that you know all is perfectly organised leaving you free to concentrate on enjoying the day itself.

## Bridal Room

Affectionately nicknamed The Blue Room, this upstairs bedroom is exclusively available to you as a bridal preparation suite. With full-length south facing windows and a gorgeously opulent ensuite bathroom this is a wonderful place to spend the morning of your wedding getting ready with your bridal party and starting your day in style. When you're ready, make your grand entrance down our sweeping staircase and head on to your ceremony.

## Ceremony Settings

We have four rooms and two outside spaces licensed for civil ceremonies. Capacities range from a small and intimate 25 in our Sitting Room, to the Ballroom which can accommodate up to 85. Don't forget that your capacity numbers must include two registrars and one member of Penton Park staff if you have more than 60 in a room. Remember to include yourselves in your final headcount!

All our rooms are south facing, looking out over the grounds, and each space can be arranged in a variety of layouts. If you are looking to have an outdoor ceremony, then why not say your vows under the elegant Portico or down in the wisteria covered Gazebo on the lawns? Each of these is licensed for 6 people, with as many friends and family watching as you might like!

Alternatively, if your heart is set on a church ceremony, our local country church is a gem, and it's just a few minutes walk away from Penton Park.

Any finally, if you are holding a more symbolic ceremony, then you can pick your spot from many beautiful locations in our grounds.

## Drinks Reception

After your ceremony, it's time to relax and get the party started. From cocktails, canapés and croquet on our lawns, to the cosy hideaway, comfy sofas and roaring log fires of our sitting room, the house and grounds are yours to use as you wish. Penton Park makes for the perfect mingling space, no matter the season.

## Wedding Breakfast

Next head to the Ballroom where it's time to eat. Able to seat 85, the Ballroom is a wonderfully versatile space for delectable dining and speeches. We have a handpicked selection of recommended caterers picked not only for their delightful edibles but their excellent service, friendliness and passion for creating a bespoke wedding. You can find out more about them in the 'Banquets and Beyond' section of this brochure.

## Party Time

Once you're finished feasting, make your way to the garden to take in the sunset, relax on the sofas in the sitting room or get a drink from our well stocked bar, where you can sample one of our home brewed beers from the Penton Park Brewery or your favourite tippie. We will transform the Ballroom for you to return for the evening's festivities.

Now you're ready for the first dance and to party the night away, and believe us when we tell you that this is a house that loves a good party!

As the clock strikes twelve, drive off to enjoy some of the wonderful local accommodation and leave us to clear up. You can leave your belongings with us for safekeeping, and we'll have them ready for collection on the Sunday morning.

## Make a weekend of it

Your wedding is a rare chance for you to get friends and family from all walks of life together under one roof. With more and more guests travelling in from afar, we understand that you'll want to spend as much time celebrating with them as possible. We are located in the stunning Test Valley in North West Hampshire, surrounded by picturesque villages, superb country pubs and gorgeous scenic walks. This part of the country is perfect for several days worth of celebration, so why not make a weekend of it?

Most of our couples choose to arrive in Hampshire on the Friday, pop in to Penton Park to set up and then leave us to finish up while they enjoy some of what the area has to offer. With possibilities for horse riding, shooting, fishing, or pampering within easy reach, we're ideally located for a weekend of fun.

Many of the local pubs offer private dining, perfect for a relaxed rehearsal dinner. Those that we would highly recommend include The Fox, The Hawk Inn, The George and Dragon, The White Hart and The Crown at Upton.

## Accommodation

While we can't offer overnight accommodation on site at Penton Park, there is a wealth of accommodation options nearby to suit all tastes and budgets.

There are over 350 beds within a 20-mile radius, from boutique hotels to inns and B&Bs. Some can sleep all of your guests together, others are more suitable for families looking to make a weekend of it.

Visit our website for further details. Given our wonderfully tranquil setting, you would struggle to believe that over 100 beds listed on our Accommodation page are within 3.5 miles of Penton Park, and 14 are within stumbling distance in the village!

A complimentary coach for 50 guests to one central hotel is included with your wedding booking.

## Cheers!

We love to personalise our offering and this is equally true for our wines and bar. All of our house wines are sourced from Berry Brothers and we are delighted to be working with a local Vineyard, Danebury, to offer an English Drinks package. For all of your ale needs we brew our own beer on site and welcome you to sample this prior to your event to decide which tippie you would prefer to serve your guests.

We have a keen focus to support local wherever possible and all our water is either fresh from our own on site well, or sourced from Hampshire based Hildon spring. We also source our Gin from a local Gin supplier with many Hampshire offerings on our bar!

## Drinks Package

We wouldn't dream of letting the drinks get overlooked. Our suggested drinks packages are below, but we welcome the opportunity to make a bespoke package for you. Our bar is exceedingly well-stocked, and includes a wide range of artisanal gins, and we even have our own micro brewery. Let us know what you'd like, and we'll see what we can do.

## Frequently Asked Questions

### **How do we find you?**

We are just a few moments from the A303 and the A343 (joining to the A34). We are also less than 2.5miles from Andover Rail Station which has frequent trains to London Waterloo.

### **Is there anywhere guests can go beforehand, if they would like a drink or bite to eat?**

We highly recommend The White Hart in Penton Mewsey, where guests can enjoy lunch and drinks before they come up to Penton Park.

### **We want to have a cash bar. Do you take card?**

No problem, we take, cash, card and even cheque!

### **Can guests smoke?**

Yes, in the allocated smoking area which is lit by bamboo lanterns and fire pit after dark.

### **Lots of our guests will be in high heels. Do you have protectors?**

That's a great question. Yes, we do. These are included in the package price and must be worn by anyone with a heel smaller than a 5 pence piece in diameter (to protect our antique floors).

### **Can we use our own suppliers?**

Yes, absolutely, providing we have met and approved them. If you would like to choose your own caterer you absolutely may do so – we just ask for a waiver fee of £1000 inc VAT.

### **Do you have a civil ceremony license?**

Yes we are licensed for a maximum of 91 in our Ballroom, smaller more intimate ceremonies can be carried out in our Drawing Room, licensed for 70. Or for the truly intimate setting the Sitting Room is licensed for just 25. If you are looking to have an outdoor ceremony then we have two areas to choose from. See the 'Ceremony Facilities' page for more information.

### **What about candles and naked flames, can we have these in the house?**

Yes these are permitted and they look great in the setting of the house. In fact ,we will have our own candelabras lit after dark. How about flaming fonts on arrival?

### **Can our suppliers visit before the day?**

Yes, we welcome visits by suppliers in advance of the big day, we can also accommodate evening and weekend visits by appointment.

### **If it's cold, can we light the fires?**

The Main Hallway, Small Sitting Room and Ballroom all have working fireplaces which are lit for winter events – a key part of any Penton Park experience.

### **What about fireworks and Chinese Lanterns in the grounds after dark?**

We are sorry but we prohibit the use of these as we are surrounded by horse riding yards, and thatched cottages which are a fire risk.

### **What is the temperature like inside Penton Park?**

In winter we keep the house toasty warm with our central heating, plus several roaring log fires. In summer we throw open the doors and French windows so the house stays nice and cool and flooded with sunlight.

**When can we access the property for set up and clear up?**

Access for set up is from 9am to 2pm on the Friday before your wedding, and clear down is from 9am on the following Monday. Please note that access during working hours Monday-Friday is via North Gate on Newbury Hill.

**Can we stay overnight at Penton Park?**

We can't offer accommodation on site, but there are a wealth of options available within easy reach. Visit our website for up-to-date information – we have 350 beds within a 20 mile radius of Penton Park.

**Can we bring our own DJ?**

Yes absolutely no problem, or we can recommend one for you if needed.

**Are live bands permitted?**

Absolutely, although they must provide copies of appropriate licences, insurances and evidence that PAT tested equipment in place.

**Are there any entertainment restrictions?**

We do ask all entertainers to adhere to a 90 decibel sound limit, you should find this is more than sufficient for full enjoyment of the music, yet you can still be heard at the bar. Whilst we have a sound limit we do not have a sound restrictor, so the music never goes out unexpectedly! Unfortunately we cannot allow smoke machines as these set off the fire alarms.

**What about parking?**

Onsite parking spaces are available for your guests. We encourage car sharing, taxi and coach facilities where possible and can help arrange these if required.

**Taxis and Chauffeurs**

Andover 1-2-call: 01264 312 602

**Do we need to pay a damages deposit?**

We ask for a £1,000 damages deposit, this can be paid by BACs with your last instalment and will be refunded assuming there are no damages or breakages to the property during your event.

**What time do you close?**

We're afraid it's time to head home at midnight, please remember to be quiet as we are in a rural village location.
